

Declare Your Independence
Redesign Your Home & Your Life
Find Freedom In Universal Accessible Design
Build & Remodeling & Adaptive Technology

We serve Veterans, Seniors, Boomers, Zoomers & Kids

Barrier Free is Beautiful

**Enabled,
Not disabled**

We are highly experienced & educated professionals. Our team holds university degrees in Architecture,

Finance, Engineering, Medicine, Gerontology & certificates in AIP, sports, internal, preventative & anti aging medicine.

Our Primary Focus is both low cost efficient remodels & additions which assist our clients in handling accessibility issues while adding value, beauty & style. We hold 13 national & regional awards for design excellence, & featured in Custom Wood Homes.

Have problems? We have **FREE** & low cost, effective & esthetically superior solutions.

We also have heart, a **Purple Heart**, 5% of net income goes to disabled Veterans

Service Disabled Veteran Owned
